Lyme Disease
Resources for Primary Health Care Providers (2016)

Primary Resource:

Assessment and Diagnostics
- Centers for Disease Control [www.cdc.gov/lyme](http://www.cdc.gov/lyme)
- Public Health Ontario (PHO) – [www.publichealthontario.ca](http://www.publichealthontario.ca) – Lyme Disease – clinical diagnosis and testing

Endemic/Risk Areas
**Ontario:** Public Health Ontario [www.publichealthontario.ca](http://www.publichealthontario.ca) (search “map of Lyme disease”)

**USA:** Centers for Disease Control [www.cdc.gov/lyme/stats/index.html](http://www.cdc.gov/lyme/stats/index.html)

**International:** International Association for Medical Assistance to Travellers (IAMAT) [www.iamat.org/risks/lyme-disease](http://www.iamat.org/risks/lyme-disease)

Treatment
**IDSA guidelines:** Wormser et al., The clinical assessment, treatment and prevention of lyme disease, human granulocytic anaplasmosis and babesiosis: clinical practice guidelines by the Infectious Diseases Society of America. Clin Infect Dis 2006;43(9);1089 or as current. (Most current guidelines are linked on PHO Lyme Disease landing page).
